The Bradford family has sent the two of you an invitation.

L has succeeded to the position of clan leader.

Since the current leader isn't feeling too well,

L is a clan leader...?

As such,
succeeding as

event.

Fishy?!

There was
something
fishy...

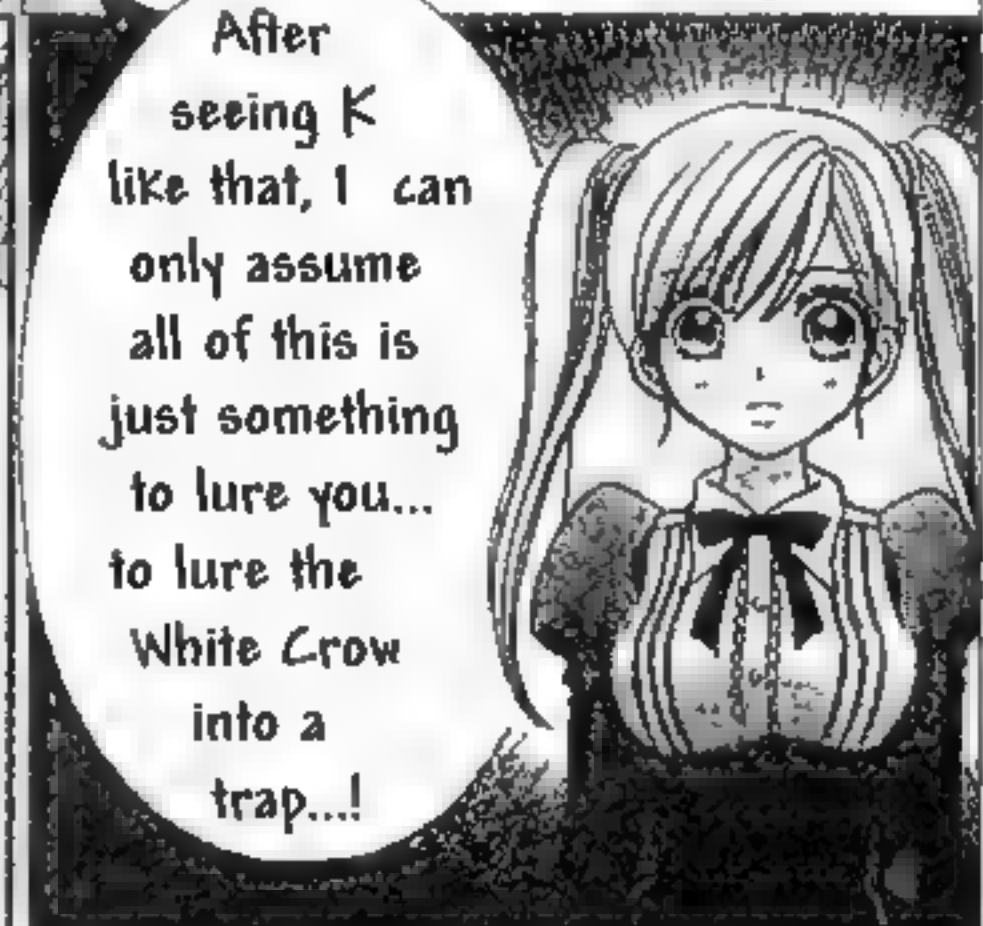

This is
obvious.

shouldn't receive

Yes, standing
in the Director's
point of view,
I cannot let

After
seeing K
like that, I can
only assume
all of this is
just something
to lure you...
to lure the
White Crow
into a

N...No, it isn't like that!

Your relationship is really good.

Ya! How pretty!
It suits you
perfectly!

It's
still
ok.

Hey!
Kurou?!

a child
sized
one?

The
dress is

Your black
hair and its
western-style
haircut is so
beautiful..

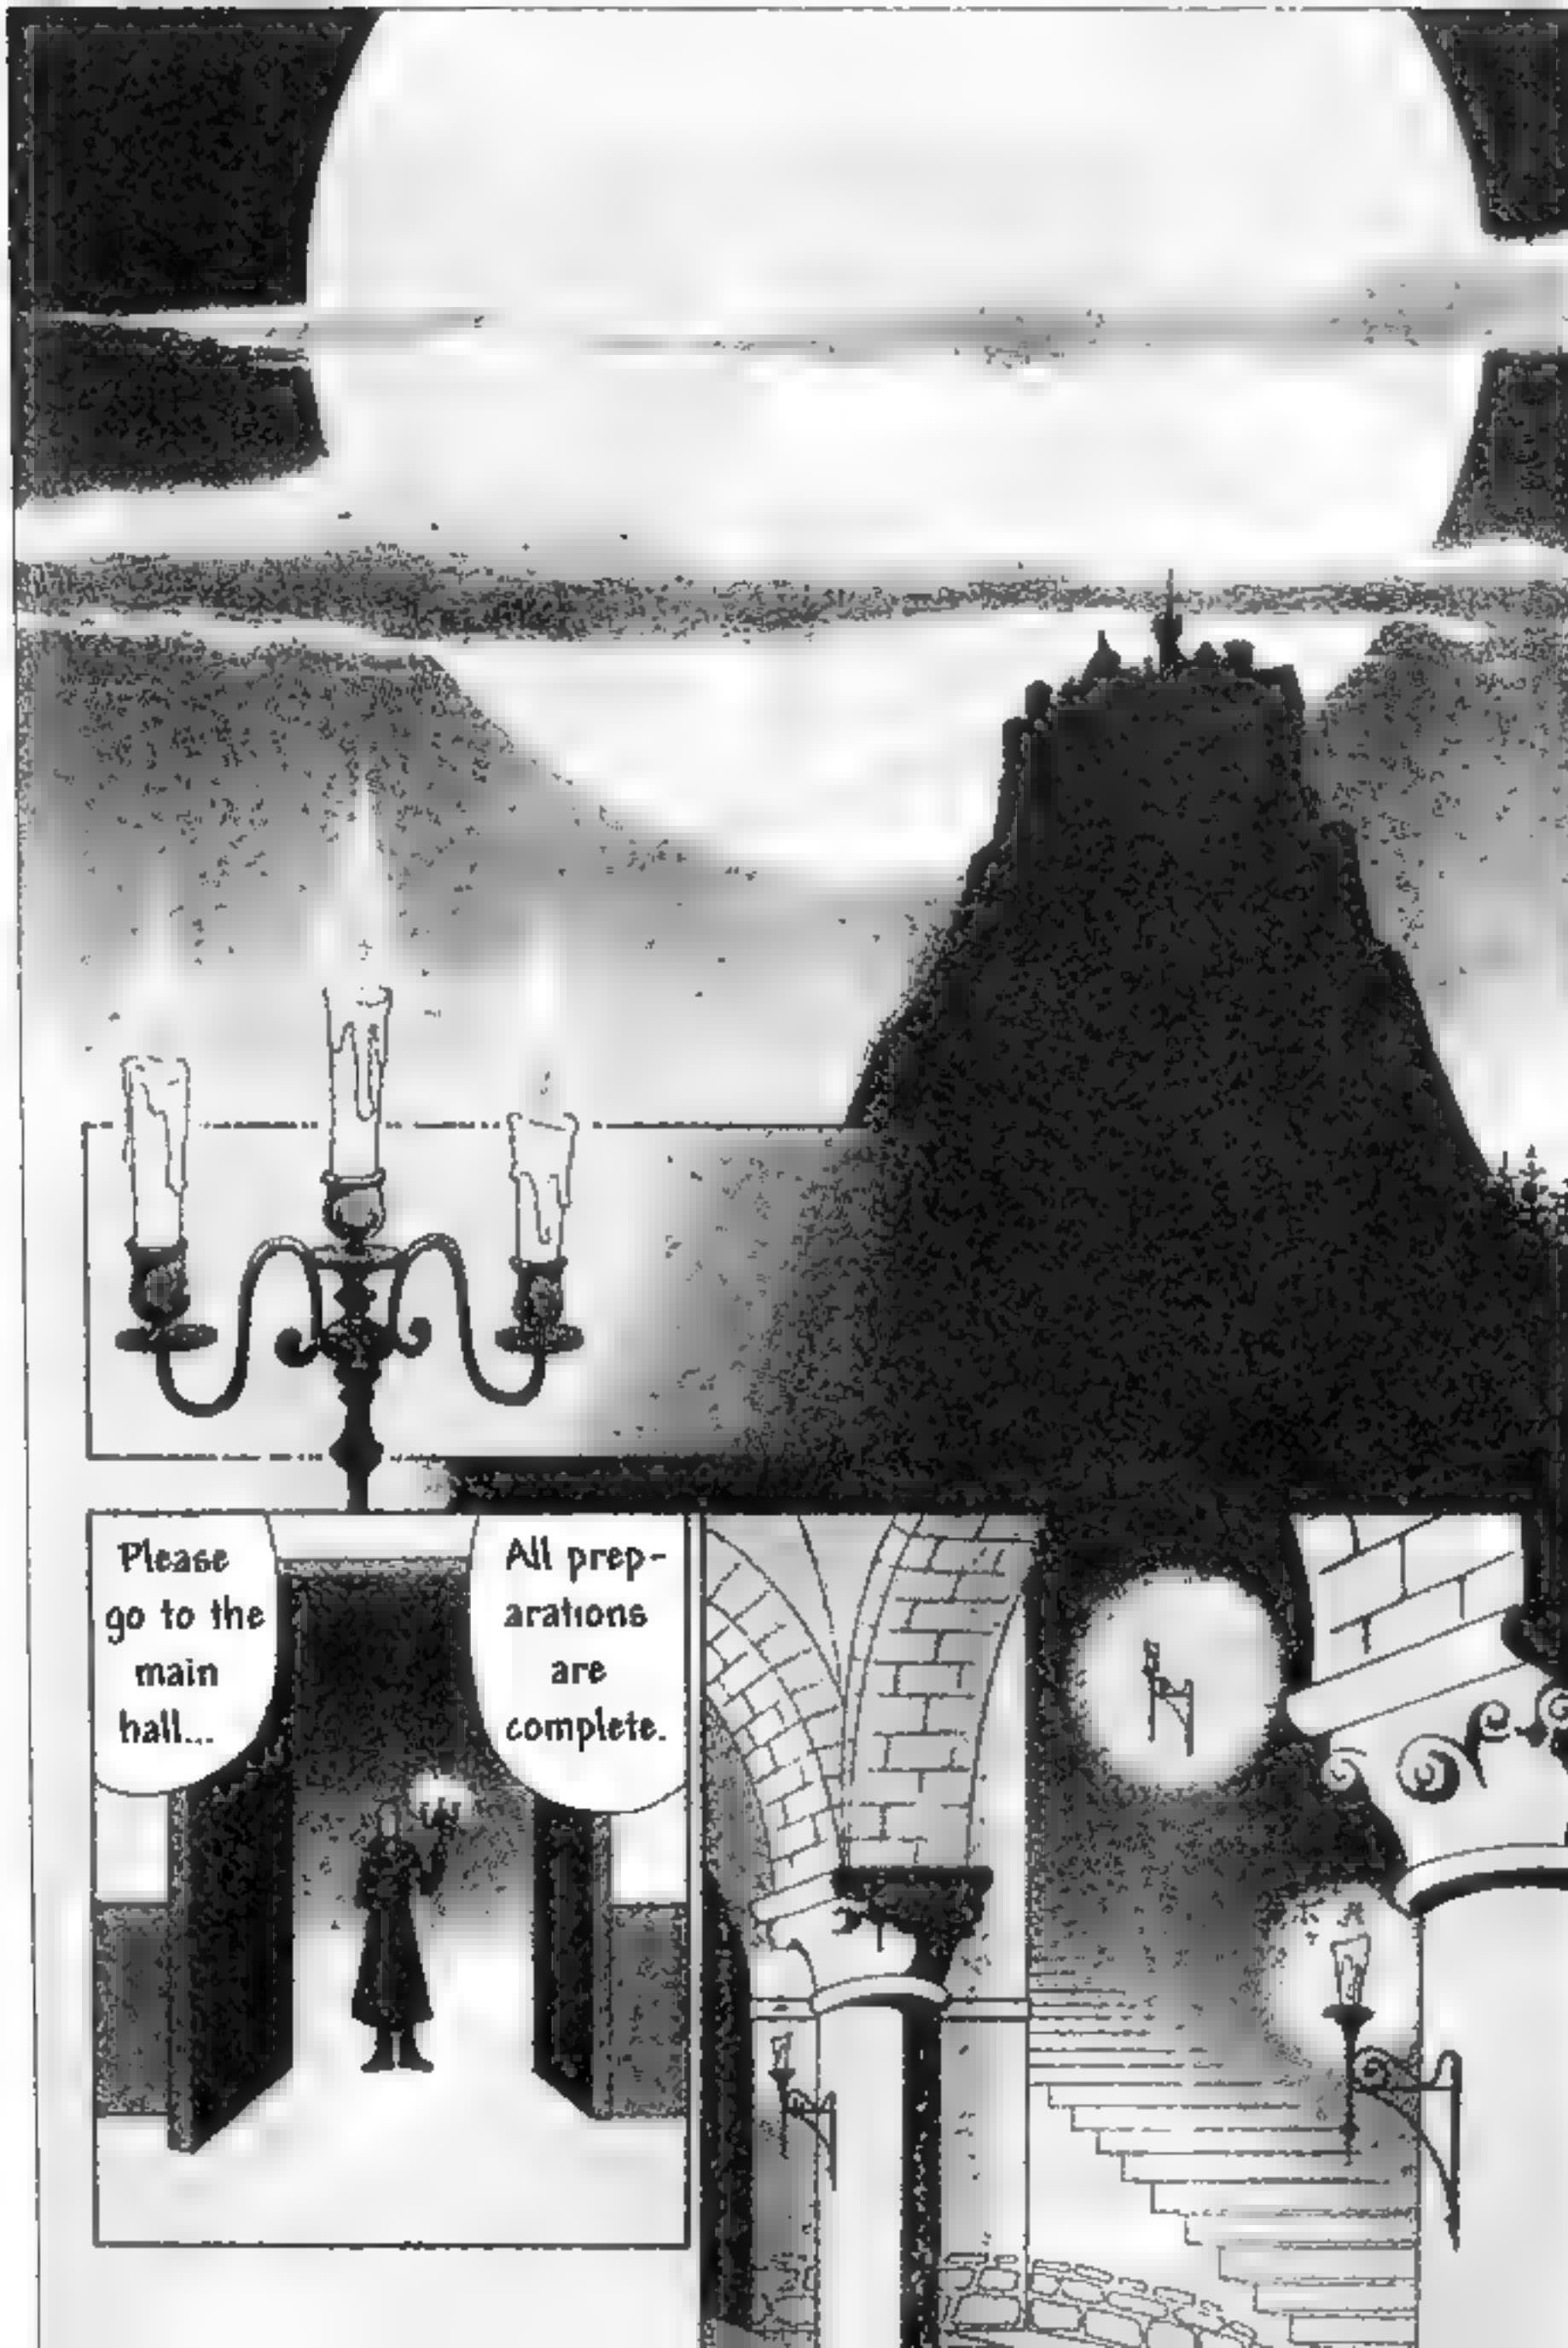

You're so
muscular
under those
clothes,

how
bouncy...

I don't treat
everyone
like this.

Is flattering
the guests a
practice for
the castle?

Please
go to the
main
hall...

All prep-
arations
are
complete.

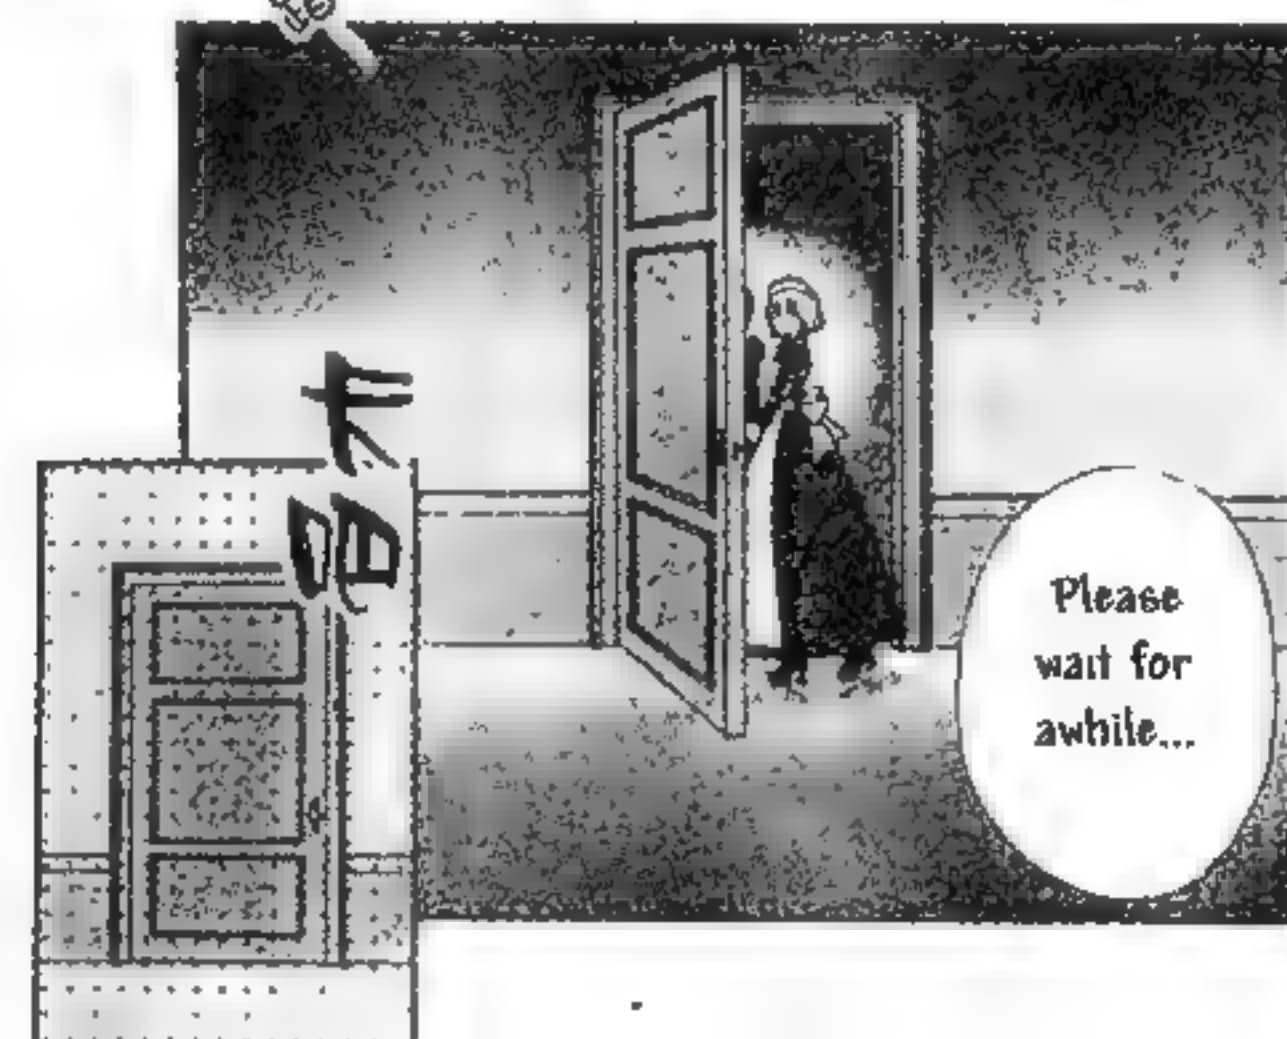

...ah.

The sun
is going
to set..

We should
go and
start
preparing.

Yes.

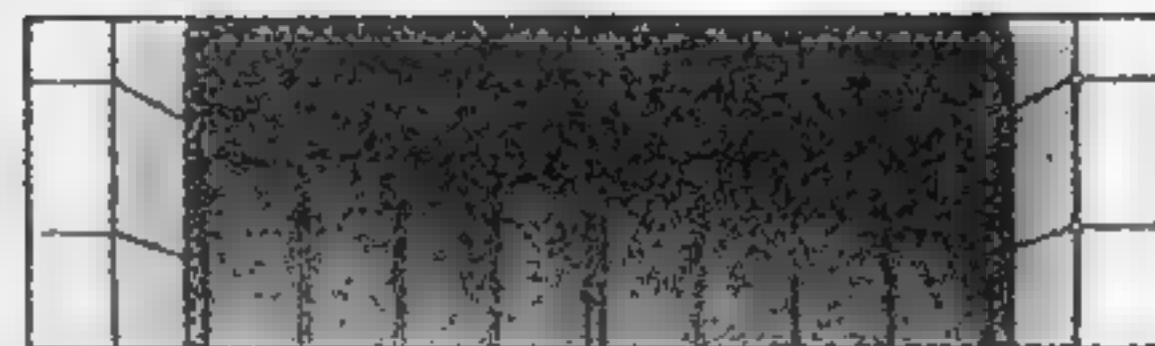

Please
wait for
awhile...

it was about

This
L,

Do you think you can kill me using that?

Don't drop the gun.

Yes, right here.

You have to aim at the heart.

Don't... don't come close to me!

You can't shoot the head.

You have to pull the trigger.

she's worthy
to be killed
by me.

Then it'll
be China,

after I destroy
the four gods,
the world's

the Kirin will
also disappear.

They are
just
annoying
pests.
